NEW RIGHT OF WAY MAN.

Frank A. Waters Succeeds Colonel

Diss With San Pedro Road.

Frank A. Waters of Los Angeles has been appointed head of the right-of-way and claims department of the San Pedro railroad, to succeed Colonel Diss. Waters has for the past two years been chief clerk of the department, and it was because of his good work in that capacity that he received the appointment to the higher position.

That Waters received the appointment on his merits is evidenced by the fact that he was chosen over several men who had substantial "pulls." Among those who are reported to have desired the job are Senator Fred M. Smith of Los Angeles and William Cline, a brother to the collector of the port,

Waters is a native of Chicago and went to Los Angeles about eight years ago, was amploined chief clerk to Colonel Diss in the right-of-way department.
